FULL TIME ACADEMIC (FTA) PHYSICIAN POSITIONS

FACULTY: Faculty of Medicine, Department of Family Medicine

REPORTS TO: Chair of the Department; also works with and takes direction from the Unit Director

General Position Description: The Department of Family Medicine is seeking three (3) dedicated FTA Physicians who are committed to providing, advancing and promoting excellence in clinical care, education, scholarship and leadership. As a key member of the Department, you will contribute to the academic and clinical experiences of learners and patients. Please note: At least one candidate must be qualified to provide intra-partum obstetrical care.

Description of Specific Responsibilities:

1. Direct Patient Care/Clinical Supervision: The Full Time Academic (FTA) physician provides exemplary continuing care to patients and collaborates in the clinical teaching and supervision of Family Medicine residents and medical students as a team member. Clinical and teaching activities may include in-hospital patient care, intrapartum care and shall include resident and student supervision.

2. Academic Activities: As part of his/her duties, the FTA is expected to participate in educational and scholarly functions within the Department of Family Medicine and the Faculty of Medicine of the University of Ottawa. These activities are in addition to the clinical supervision of residents and medical students in a variety of settings appropriate to Family Medicine Practice.

3. Professional Development: The FTA must be able to demonstrate expanding knowledge, skills and attitudes to excel as a clinician and as a teacher by maintaining active CFPC certification through successful completion of the MainPro certification program and embody the principles of the Triple C Curriculum and the CanMEDS-FM framework to the learners in his/her environment by participating in Faculty Development sessions detailed in the DFM Faculty Development Passport.
