TITLE OF THE TALK:

Measuring the promise of CanMEDS: Is Work-Based Assessment the answer?

OBJECTIVES:

1. Outline how narrative feedback aligns with competencies as defined by CanMEDS 2015 Framework
2. Describe the misconceptions and barriers to assessing intrinsic role milestones in daily work-based assessments (WBA)
3. Discuss future directions for authentic and valid WBA of CanMEDS competencies.

Daniel Dubois, MD, FRCPC

The DIME Rounds are a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of The Royal College of Physicians and Surgeons of Canada.

This presentation is offered in English only
