TITLE OF TALK:

PROMOTING RETRIEVAL-BASED LEARNED ACROSS THE MEDICAL EDUCATION CONTINUUM

OBJECTIVES:

1. Define retrieval-based learning and the cognitive processes underlying this phenomenon
2. Describe best practices associated with retrieval-based learning
3. Discuss how to design educational activities to promote retrieval-based learning across the medical education continuum.

The DIME Rounds are a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of The Royal College of Physicians and Surgeons of Canada.
