**Safaa El Bialy, MD, PhD.**

Professional Assistant, Department of Innovation in Medical Education (DIME).

## TITLE OF THE TALK:

# USE OF SMARTPHONES IN HISTOLOGY OF TEACHING

## OBJECTIVES:

1. To know how smart phones were used to create histology images
2. To understand why the smart phone was used for this purpose
3. To compare between images taken by smart phone versus the ones taken with Axio microscope

The DIME Rounds are a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of The Royal College of Physicians and Surgeons of Canada.

This DIME Rounds is presented in English only.
