MERIDITH MARKS DAY
March 26, 2021
ZOOM
8 A.M. - 4:00 P.M.

TITLE OF THE TALK:
Making Research Matter: Theory and Practice as Kindred Spirits

OBJECTIVES:
• Describe the tension between exploratory and applied science in health professions education
• Consider the pragmatic implications of exploratory research on direct observation and on learning cultures
• Identify opportunities to bring curiosity-driven research and education policymaking together

Christopher Watling
MD, MMEd, PhD, FRCP(C)
Professor, Department of Oncology
Director, Centre for Education Research and Innovation
Schulich School of Medicine and Dentistry
Western University

This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada, and approved by the University of Ottawa’s Office of Continuing Professional Development. You may claim a maximum of 5.25 hours (credits are automatically calculated).

This one-credit-per-hour Group Learning program meets the certification criteria of the College of Family Physicians of Canada and has been certified by the University of Ottawa’s Office of Continuing Professional Development for up to 5.25 Mainpro+ credits.
