The Perth Smiths Falls District Hospital is a two site, 85 bed, community hospital, serving a regional population of 44,000.

A recent (2011) $45,000,000 redevelopment project at the Smiths Falls site provided a state of the art facility including satellite Dialysis unit.

Full range of Specialty support is available locally;

- Anesthesia
- General Surgery
- Internal Medicine
- Obstetrics/ Gynecology
- Orthopaedics
- Radiology
- Urology

Smiths Falls (pop. 9,000) is conveniently located midway between Ottawa and Kingston, in the beautiful Rideau Lakes region. Rural but NOT remote.

Driving distances: Kingston 97 km / Ottawa 78 km
