Position Description:

Full time family practice physician in a Blended Salary Model Family Health Team with 7 physicians, 4 NPs, + a paramedical staff complement. An opportunity exists for ER/hospital shifts. Our modern FHT practices collaborative care in a supportive environment.

Full benefits coverage; NO overhead; 2 weeks paid CME annually; Salary + RA = ~ $300,000 for full time work; 4 weeks vacation per year!

Petawawa is not your traditional rural area. It boasts amazing facilities, especially the gym that has two pools, an indoor track, basketball courts, squash courts, weights, cardio rooms, climbing wall...all for a fraction of the price you would pay in the city. Let us not forget kayaking, tennis, golf, hiking, fishing, camping, Algonquin Park and walking trails. No wonder we are a hotspot for weekend getaways! With the rich military heritage of our Town, you will never feel safer and there is always something to do.

With great neighbourhoods, why pay so much for a house in the city when you can buy the same size house for a fraction of the price in Petawawa!

A study by the University of British Columbia and McGill University has found that people in rural areas are happier than their city counterparts!
