Overview

Campbellford Memorial Hospital (CMH) is a 34-bed health care facility located in Trent Hills. It serves approximately 30,000 Northumberland, Peterborough and Hastings County residents, as well as a large seasonal population of cottagers and tourists enjoying the beautiful Kawartha Lakes Region and the Trent River System.

The historic village of Campbellford was settled in the early 1800’s on the banks of the Trent River, surrounded by the scenic rolling Trent Hills. Only a short drive from Highway 401, Campbellford is convenient to larger centres, while being a world away from the traffic and stress of the city.

As the only hospital located between Belleville and Peterborough, Ontario, CMH provides a comprehensive array of acute care services. The Hospital’s 24-hour Emergency Department handles approximately 20,000 visits each year. To ensure comprehensive, coordinated, patient and family-centred care that meets local needs, the Campbellford Memorial Hospital’s community health care campus partners include: Trent Hills Family Health Team; Campbellford Memorial Health Centre; Campbellford Memorial Multicare Lodge; as well as other area hospitals and community agencies. These partners ensure patients receive the right care, in the right place, at the right time.
