Clinic: Maternity Leave UOHS FHT
Location: Ottawa, ON
Date Required: July 2019 – June 2020
Contact: msmilkereit@uohs.uottawa.ca

“The University of Ottawa Health Services (UOHS) are looking to fill a maternity leave family medicine locum onwards of/including July 2019 for approximately twelve (12) months (depending on the candidate’s availability). The locum would fill approximately five (5) family medicine half-day (3 hour) shifts per week, at $450/half day. These can be spread out over the week, or combined into full days. BONUS incentive: up to $8,400 of the predicted 2020 preventative care bonus goes to locum (* details on how this is calculated can be provided). There are additional minor on-call requirements of approximately one evening or weekend shift in a walk-in afterhours clinic per month. The successful candidate must be licensed to practice in Ontario and have CMPA or equivalent coverage. Excellent interpersonal skills and a commitment to inter-professional care are essential. Bilingualism (English and French) would be an asset, but not a requirement. NEW GRADUATE welcome. Additional shifts at affiliated walk-in available if more hours per week desired.

If helpful, a shorter locum (whether of a few days, or 1-2 weeks), or tour of the clinic, could be organised for anyone interested in the locum. Further a later start date than July 2019 would also be considered depending on candidate availability.

UOHS is a dynamic group of doctors, allied health care professionals, and support staff dedicated to improving the health of our student population and inner city community through a patient centered interdisciplinary team approach focused on prevention, early intervention programs and several specialized chronic disease programs. We are committed to delivering timely, quality and collaborative assessment, treatment and health promotion, in a supportive and caring environment that is open and transparent to social, ethnic, and income factors.

This opportunity includes:
- Great location Downtown Ottawa: Our clinic is located at Suite 300, 100 Marie-Curie Private, Ottawa
- Fully computerized clinic (PSS EMR)
- Managed nursing and administrative support (you get to focus on the medicine)
- Up to seven (7) weeks leave (for holidays or continuing professional development)
