Physician Opportunities
In the Canadian Armed Forces

Are you considering taking the next step in your professional career? Does the notion of providing health care in unique and challenging environments appeal to you? Do you have a keen sense of adventure? Physicians and Medical Specialists within the Canadian Armed Forces play a vital role in providing high quality health care to Canada’s uniformed men and women wherever they serve. Take your clinical practice to the next level. Consider a rewarding career opportunity within the Canadian Forces Health Services.

Canadian Forces Health Services is currently hiring:
- Family physicians;
- Orthopedic Surgeons;
- General Surgeons; and
- Radiologists;

Medical students and Family Medicine residents may also enroll in the Canadian Armed Forces and are eligible for subsidization under the Medical Officer Training Plan (MOTP).

Some of the many benefits of enrolment in the CAF whether as a medical student, Family Medicine Resident or licensed physician include:

- Signing bonus of up to $225,000;
- Generous government pension;
- No professional related overhead costs;
- Comprehensive medical and dental coverage;
- For family physicians who have served 3 to 5 years after enrolment, the opportunity to apply for fully subsidized training in the following areas:
  - Aviation Medicine;
  - Dive Medicine;
  - Submarine Medicine;
  - Public Health;
  - Occupational Health;
  - Sports Medicine;

To learn more about how you can join the team of health care professionals that provides full spectrum, high quality health services to Canada's fighting forces wherever they serve, please contact Captain Jack MacFarlane, Health Services Specialist Recruiter, at: jack.macfarlane@forces.gc.ca; 705-791-3079.
