Family Practice Opportunity in Nepean Ontario

Established balanced Family Practice available in Bells Corners, Nepean Ontario
Roster of 1250 patients in a FHG model with full EMR (Accuro).
We are a group of 6 female family doctors with a supportive staff inclusive of a nurse.
In addition there is access to lab, x-ray, ultrasound, pharmacy and physiotherapy all in the same location.
I would be open to options for transfer of practice ie, long term locum, shared practice, complete transfer of practice or signing over the roster to another location.
The practice is currently located 10 minutes from downtown Ottawa and 5 minutes from the QCH. Hospital.
Ottawa has many opportunities for recreations and cultural experiences.
