Family Physician Opportunity

Locum Physician(s) required for occasional work

Locum physician(s) wanted to join group of experienced family physicians, physician assistant and nurse practitioners in a congenial and supportive work environment.

Join a stimulating group practice where you can:

• Provide a full spectrum of care to a widely varied patient population in a modern office environment
• Work with a multi-disciplinary team that provides you with access to dietitians, nurses, nurse practitioners, counselors and other health professionals
• Enjoy longer appointment times and lower patient volumes that allow you to spend the time to practice medicine the way you always felt it should be
• Earn a competitive and predictable income from the onset without concern for office overhead or patient volumes
• Participate in the teaching of medical students and residents

If you are a flexible and innovative family physician with excellent communication skills, able to work well in a team environment and you are looking to enhance the quality of your professional life working in an environment where you are valued and supported, this opportunity is for you. Enjoy life and practice medicine the way you always felt you should.

As a family physician certified by the College of Family Physicians of Canada and licensed in Ontario, you will want to consider this exceptional opportunity.
