About the Health Clinic by Shoppers™

The Health Clinic by Shoppers™ is a new division of Shoppers Drug Mart dedicated to bringing convenient access to high quality patient-centred primary care services to Canadians. This is your opportunity to join one of Canada’s leading companies. We will cover all the expenses and our clinical operations team will provide all the services and technology you need to make your practice run smoothly every day, worry free.

Why Join the Health Clinic by Shoppers™

- Upfront capital investment provided for clinic renovations, signage, medical equipment, furniture and IT equipment
- Full technology suite including Accuro EMR, online appointment booking, virtual care technology, secure patient messaging and patient self-check-in kiosk
- Competitive practice management fees available
- Ongoing operational costs will be covered so you can focus on patient care
- Newly designed and renovated clinic with modern finishes and equipment
- Dedicated and highly skilled clinical administrative staff and management team to help run the practice smoothly everyday
- Clinical operations team will help alleviate practice burnout by providing all the services and technology you need to make your practice run smoothly allowing you to focus on patient care
