

# DEPARTMENT OF PATHOLOGY AND LABORATORY MEDICINE INAUGURAL FACULTY DINNER, JUNE 16th, 2022

Dear Colleagues,

I am delighted to share with you some of the photographs from our inaugural faculty dinner, held on June 16<sup>th</sup>, 2022. I wish to thank all the medical scientific staff who attended the dinner. It was great to see everyone relax and socialize after two years of pandemic restrictions. We introduced new faculty members, thanked the recent retirees, and congratulated faculty members that were promoted this year. I wish everyone a great summer and hopefully all of you will take time off to spend with your family and friends.

Regards,
