

WELCOME TO POSTGRADUATE MEDICAL TRAINING!

You will receive emails from the various groups below.

AS A MEDICAL TRAINEE, YOU ARE A STUDENT OF uOTTAWA

Log onto the Student Centre via uozone with your uOttawa email credentials to review your detailed checklist.

- [PGME Office](#)
- pgme@uOttawa.ca
- [Office of Risk Management](#)
- pgmed_immunise@uOttawa.ca

As a medical trainee, you are a doctor of one or more of PGME's partner teaching hospitals

Your Program Director (PD) or Fellowship Director (FD) and Program Administrator (PA) will be in continuous communication with you for scheduling, evaluations, meetings and more.

Your hospital site's Medical Education/Medical Affairs office will also be communicating with you for various things such as parking, computer access, pagers and hospital badges.

TEACHING HOSPITALS

COLLEGE OF PHYSICIANS AND SURGEONS OF ONTARIO (CPSO)

As a doctor (with the exception of research fellows), you must receive a license to practice medicine in Ontario

You MUST apply for a CPSO license to begin medical training.
Processing time: **3 to 4 months**

- [Applications & Forms](#)
- credentials@cpso.on.ca
- 1-800-268-7096 x221

As a doctor in Ontario, you automatically become a member of PARO

PARO is the official representative voice for Ontario's residents in training. uOttawa has a group of representatives [found here](#).

- [PARO-CAHO Agreement](#)
- paro@paroteam.ca
- 1-877-979-1183

PROFESSIONAL ASSOCIATION OF RESIDENTS OF ONTARIO

(RESIDENTS ONLY)

CANADIAN MEDICAL PROTECTIVE ASSOCIATION

All doctors (with the exception of research fellows) in Ontario require CMPA coverage for liability protection

You cannot obtain CMPA coverage until your CPSO license has been issued. Apply for CMPA while your CPSO application is in process. Processing time: **2 to 4 weeks**
