INPATIENT CHILD PSYCHIATRIST

CHEO, a 150-bed pediatric hospital in Ottawa, ON, Canada is looking for a child and adolescent psychiatrist to work on the 19-bed Acute Care Mental Health Inpatient Unit. The job is full-time and permanent with membership in the CHEO Psychiatry Associates.

Clinical Setting and Duties
The large multi-disciplinary care team includes 3 full-time psychiatrists, a family physician, psychologist, occupational therapist, and numerous social workers, nurses, and child and youth counselors. Each psychiatrist's job consists of co-leading a team of providers in the assessment, stabilization, treatment initiation, and discharge planning for each patient. Teaching and scholarly work are part of the position and are remunerated separately. **Note: the position of Medical Director of the Inpatient Unit is also available for the qualified applicant.**

Required Skills
The successful candidate will have experience with evidence-based psychopharmacologic and psychotherapeutic approaches suitable for brief inpatient care, be skilled in working on multi-disciplinary teams, and be open to an environment where continuous quality improvement is a key feature of the daily work. Bilingualism (English/French) highly desirable.

Training
MD from an accredited institution; experience in child psychiatry or certification from the Royal College or equivalent; career characteristics meeting the criteria for a faculty appointment in the uOttawa Department of Psychiatry.

Remuneration and Benefits
This position is part of an Alternative Funding Plan (AFP); remuneration ranges from $296,000-400,000/year, depending on administrative stipends, teaching load, academic and clinical productivity; 6 weeks paid vacation; 2 weeks paid conference time; annual financial support for continuing professional development; research grant support. A relocation allowance and an additional signing bonus of $10,000 will be provided.

Setting
Located in the beautiful capital of Canada, CHEO is part of the University of Ottawa Faculty of Medicine hospital network. CHEO is a pediatric health and research center dedicated to pioneering research, training the health care professionals of tomorrow, and providing outstanding family-centered patient care. The Mental Health Program is a national leader in innovative systems of mental health care.

Interested applicants should email a CV and cover letter to Dr. Kathleen Pajer, Chief of Psychiatry at kpajer@cheo.on.ca.
