PSYCHIATRIST FOR CONSULTATION LIAISON SERVICE

General Summary
The Children’s Hospital of Eastern Ontario (CHEO) is seeking a psychiatrist to join Consultation Liaison (CL) Service, which specializes in providing psychiatric consultation, recommendations and short-term interventions for inpatients and some outpatients who have both medical and mental health issues which impact their adjustment, treatment or recovery.

Principle Duties and Responsibilities
This is a full time permanent position. There may be opportunity to split duties between Consultation Liaison and one of the other outpatient services. Duties include the assessment and collaborative treatment for this complex group of children and adolescents. The successful candidate will have opportunities to engage in initiatives/research projects to optimize the care and services we provide to this population.

Required Skills and Abilities

Minimum Level of Preparation and Training
MD from an accredited institution; Royal College Certification in Psychiatry or equivalent; child psychiatry experience and training, or certification from the Royal College or equivalent body. Must meet criteria for an academic appointment in Psychiatry at the University of Ottawa Faculty of Medicine. Bilingualism (English/French) is desirable.

Remuneration; Vacation/Conference Time
This position is part of an Alternative Funding Plan (AFP); remuneration ranges from $265,000-400,000/year, depending on administrative stipends, teaching load, academic and clinical productivity; 6 weeks paid vacation; 2 weeks paid conference time; annual financial support for continuing professional development; research grant support. A relocation allowance will be provided.

Setting
The Children’s Hospital of Eastern Ontario (CHEO) is a pediatric health and research center providing outstanding family centered patient care, pioneering breakthrough research, and training the health care professionals of tomorrow. CHEO is a world-class center providing pediatric tertiary care for children and youth aged 0 to their 18th birthday throughout Eastern Ontario, Western Quebec, Nunavut and parts of Northern Ontario. CHEO is one of only a few stand-alone pediatric hospitals in Canada and with more than $340 million in annual revenues, CHEO has 3,000 doctors, nurses and additional staff dedicated to providing the best possible care for the children and youth in our community.
Ottawa is the capital of Canada and is located in the province of Ontario. It has a population of 1.1 million, and is the sixth largest city in the country and is located across the Ottawa River from the province of Quebec. The city has outstanding museums, sports, performing arts, and galleries, as well as numerous places for hiking, biking, skating, snowshoeing, and cross-country skiing. City residents are so friendly that Ottawa feels more like a big town than a city and it is a safe and stimulating location in which to raise a family.

Interested applications should send a cover letter and CV to Dr. Marjorie Robb, Acting Chief of Psychiatry, mrobb@cheo.on.ca.
