

MUSCULOSKELETAL RADIOLOGIST

The Department of Medical Imaging at **The Ottawa Hospital (TOH)** is seeking a fellowship-trained musculoskeletal radiologist starting fall 2021 or soon after to join the department's business partnership of radiologists as a fulltime radiologist, and to join the Musculoskeletal Imaging Section of a department of approximately 60 sub-specialty radiologists. The candidates will serve the three campuses of **The Ottawa Hospital**, the core adult teaching hospital for the **University of Ottawa**, as well as affiliated community hospitals and ancillary programs.

As part of the Musculoskeletal Section, the successful candidate will work collaboratively as part of a highly efficient team for providing dedicated musculoskeletal expertise supporting strong programs in ER/trauma, orthopaedic surgery, oncology, rheumatology, physiatry and sports medicine. S/he will have broad musculoskeletal skills in all modalities including radiography, ultrasound, CT and MRI. The candidate will also perform a wide range of image guided interventional procedures, including biopsies, aspirations, arthrograms and spine injections. Skills and/or interest in advanced interventions included RFA, osteoplasty as well as research are considered strong assets.

S/he will be expected to be a supportive team player, with a strong commitment to patient care, quality improvement, research and teaching. The successful candidate will hold certification in Diagnostic Radiology with the Royal College of Physicians and Surgeons of Canada or international equivalent.

Starting share of income range: \$400,000 – \$500,000. As the central hub of an integrated regional health system and Canada's largest teaching and research hospital, TOH is a level 1 trauma, 1,200-bed tertiary, academic health sciences centre serving a population of 1.2M.

The Ottawa Hospital is the core adult teaching hospital for the **University of Ottawa**. The successful candidate's academic rank within the University of Ottawa will be commensurate with the level of experience. This will be based on research achievements as well as education experience; both are highly valued by the Department. Bilingualism (English and French) is also considered an asset. The Department adhere to equal opportunity practices.

Please submit a letter of intent and CV prior to May 30, 2021, to Dr. Richard Aviv, Head/Chair – Department of Medical Imaging, The Ottawa Hospital, Box 232, 501 Smyth Rd., Ottawa, Ontario, CANADA, K1H 8L6; Tel: 613-737-8571; Fax: 613-737-8830; Email: radiology@toh.on.ca.
