Clerkship Student comes into close contact with COVID positive person in the HOSPITAL setting

Student in appropriate PPE?

YES: no further FU required. Student continues self-monitoring

NO: student must contact HOC immediately and follow recommendations.

HOC recommends: 

No Action Required.

HC + RD will initiate work isolation plan with student within 72hrs if appropriate.

Student presents to Brewer Arena for COVID testing IF SYMPTOMATIC or advised to by HOC. Available 7 days a week. Brings hospital ID badge.

Student tests NEGATIVE

Student submits result to medyear3, HOC & RMO

Student is ASYMPTOMATIC/WELL:

- Participates in isolation curriculum.
- Returns to clinical duties 24hrs after symptoms resolution.
- Coordinates return with medyear3, HC + RD, RMO

Student is SYMPTOMATIC/SICK:

- Presents to hospital/COVID treatment center or Primary Care
- Notifies medyear3
- Student follows HOC recommendations on return & contact tracing if applicable.
- Student is encouraged to reach out to necessary personal supports for assistance as needed.

medyear3:

- Encourages student to notify SAO
- Notifies Clerkship Directors + UGME Vice-Dean

Remediation curriculum to be implemented when student is well.

Student tests POSITIVE

Student submits result to medyear3, HOC & RMO

Student is ASYMPTOMATIC or is 14 days after onset of symptoms:

- Student follows Hospital Occupational Health recommendations for return & contact tracing
- Student participates in work isolation curriculum with ok from treating MD.
- Student is encouraged to reach out to necessary personal supports for assistance as needed.

medyear3:

- Encourages student to notify SAO
- Notifies Clerkship Directors + UGME Vice-Dean

Results: https://covid19results.ehealthontario.ca:4443/agree

** Student is encouraged to reach out to Assistant Dean Student Affairs, SAO and UGME Vice-Dean at any point in process for further support if they desire. **

LEGEND:
HC = Hospital Coordinator
RD = Rotation Director
